Subject: Quick look and response: Public facing event for Superfund Sites - Mar. Apr. May. 2018

RPMs,

Below is a table that reflects many of our planned public facing events for March and April. Please take a quick look and change/add anything you feel appropriate and include anything May and beyond if you can anticipate. Exact dates appreciated but not mandatory. I know some events will get locked in later.

I use this information to update a Region 8 spreadsheet so they can track any events on our sites that are public or may draw media, congressional, or other interest.

Please send my your changes by the **end of the week**. Thanks!

March			
2/27 Tue @ 10:30	BN Somers	County Commissioners Meeting	The EPA, MT DEQ, and BNSF Railway Company will be available discuss the shoreline stabilization and restoration project on the BNSF-owned shoreline of Flathead Lake during a Flathead County Commissioners meeting.
